Reviewer's report

**Title:** Late pulmonary metastases of renal cell carcinoma immediately after post-transplantation immunosuppressive treatment: a case report.

**Version:** 4 **Date:** 31 January 2008

**Reviewer:** Richard Borrows

**Comments to authors:**

Dear editorial team,

I have submitted my report, but I'm not sure whether it went through. In any case, I'm happy with the changes which have been made and I think the report is suitable for publication without further modification.

With best wishes

Richard Borrows
