The Editor
BMC Gastroenterology

Dear Sirs,

We will submit our manuscript entitled “A simple hepatic cyst with elevated cyst fluid CA19-9 level (577 words, 5 references, and 2 figures)” to BMC Gastroenterology.

We have no financial or other contractual agreements that might cause conflict of interest or be perceived as causing conflicts of interest. The corresponding author and all of the authors have read and approved the final submitted manuscript. No portion of the work has been or is currently under consideration for publication elsewhere. No portion of the manuscript other than the abstract has been published or posted on the internet. We will appreciate your consideration of our manuscript for publication in the section of “Case report” in your journal.

Sincerely yours,

Hidekatsu Yanai, MD, PhD
Assistant Professor
Department of Internal Medicine,
The Jikei University School of Medicine,
The Member of American College of Physicians
