Comments to authors:

Title page not written according to format mentioned

Dear Authors,

Thank you for submitting your article to this journal. There are a few small changes and clarifications needed, which I have elaborated before. Please make the necessary changes and submit your article again.

In discussion, the numbering of the references should be given in prefix.
References numbers 6, 7 could not be located in the text.
We could not access reference no. 9
The photographs and figures should be added at the end (see author instructions)
Please use the full names of the authors in the Author’s Contribution section.
Thanking you,
Regards.
