Is the case report persuasive?: Yes

Does the case report have explanatory value?: Yes

Does the case report have diagnostic value?: Yes

Will the case report make a difference to clinical practice?: Yes

Is the anonymity of the patient protected?: Yes

Comments to authors:

1. Explanation of Figure 2 can be changed as "The image of totally excised hydatid cyst".
2. In reference section ";" should be used insted of "," after year of publication.

Quality of written English: Needs some language corrections before being published
