Is the case report ethical?: Yes

Is there any missing information that you think must be added before publication?: Yes

Is this case worth reporting?: Yes

Is the case report persuasive?: Yes

Does the case report have explanatory value?: Yes

Does the case report have diagnostic value?: Yes

Will the case report make a difference to clinical practice?: Yes

Is the anonymity of the patient protected?: Yes

Comments to authors:

Why perform a local excision and not clearance of the submandibular foassae! or even a selective neck dissection!

How sure was the FNAC that a malignant process was not being entertained?

Quality of written English: Acceptable
