Reviewer’s report

Title: Paediatric Behcet's disease presenting with recurrent papillitis and episcleritis: a case report

Version: 2 Date: 12 July 2010

Reviewer: NIRANJAN KUMAR

Comments to authors:

1. Needs correction of typographical and grammatical errors;
2. Expand yr to year;
3. Change conclusions to discussion;
4. Mention status of HLA B51;
5. Discuss the role of infliximab in Behcet's disease in the discussion section.
