Is this case worth reporting?: Yes

Is the case report persuasive?: Yes

Does the case report have explanatory value?: Yes

Does the case report have diagnostic value?: Yes

Will the case report make a difference to clinical practice?: No

Is the anonymity of the patient protected?: Yes

Comments to authors:

I would like to congratulate you for your effort. The coexistence of two different metastatic tumors at the same lesion is a quite rare situation and this referral may lead to a new management of this difficult and poor prognosis problem.

Quality of written English: Acceptable
