Is the case report persuasive?: No

Does the case report have explanatory value?: Yes

Does the case report have diagnostic value?: No

Will the case report make a difference to clinical practice?: Yes

Is the anonymity of the patient protected?: Yes

Comments to authors:
1. In page 3, line 16, for the word 'invasie', do you mean 'invasive'?
2. In page 6, line 4, for the word 'antrotomy', do you mean 'antrostomy'?
3. Could the authors elaborate more the the technique of delivering the antifungal agent intra-antrally?
4. Figure1 in the manuscript does not show the CT scan of the subject, as opposed to what is written in the manuscript.
Quality of written English: Acceptable
