Version: 1 Date: 9 June 2011

Reviewer: edgard nassif

Which of the following best describes what type of case report this is?: Unexpected or unusual presentations of a disease

Has the case been reported coherently?: Yes

Is the case report authentic?: Yes

Is the case report ethical?: Yes

Is there any missing information that you think must be added before publication?: No

Is this case worth reporting?: Yes

Is the case report persuasive?: Yes

Does the case report have explanatory value?: Yes

Does the case report have diagnostic value?: Yes

Will the case report make a difference to clinical practice?: No

Is the anonymity of the patient protected?: Yes

Comments to authors:

Do you have a cytology on the ascitic fluid
Do you believe that a biopsy on an enlarge cystic mass is recommended
six month of follow up is short and it will be interesting to have a longer follow up

Quality of written English: Acceptable
