Reviewer’s report

Title: Low Pressure Headache Presenting in Early Pregnancy with Dramatic Response to Glucocorticoids: A Case Report

Version: 1 Date: 22 September 2013

Reviewer: Joel Alcantara

Which of the following best describes what type of case report this is?: Presentations, diagnoses and/or management of new and emerging diseases

Has the case been reported coherently?: Yes

Is the case report authentic?: Yes

Is the case report ethical?: Yes

Is there any missing information that you think must be added before publication?: No

Is this case worth reporting?: Yes

Is the case report persuasive?: Yes

Does the case report have explanatory value?: Yes

Does the case report have diagnostic value?: Yes

Will the case report make a difference to clinical practice?: Yes

Is the anonymity of the patient protected?: Yes

Comments to authors:

The Introduction section needs to be revised. As written, it presents the case report narrative and not introduce the topic. The author provides justification and need for the publication of his case report in the Abstract section as well as his letter to The Editor. The author should perform/write similarly in the Introduction section to introduce the subject at hand and provide the justification and need to publishing his manuscript. Otherwise, the manuscript is timely and informs clinical practice.

Quality of written English: Acceptable
