Reviewer’s report

Title: Acute renal failure as a form of presentation of sarcoidosis at the young adult: a case report

Version: 4 Date: 24 April 2014

Reviewer: Guillaume Armengol

Which of the following best describes what type of case report this is?: Unexpected or unusual presentations of a disease

Has the case been reported coherently?: Yes

Is the case report authentic?: Yes

Is the case report ethical?: Yes

Is there any missing information that you think must be added before publication?: No

Is this case worth reporting?: Yes

Is the case report persuasive?: Yes

Does the case report have explanatory value?: Yes

Does the case report have diagnostic value?: Yes

Will the case report make a difference to clinical practice?: Yes

Is the anonymity of the patient protected?: Yes

Comments to authors:

Just please pay attention to the numbers: delete the coma and place a dot (100.000 and not 100,00. 5.6 and not 5,6 etc...).

(PTH) is not correctly placed into the text and must be placed just after the word parathormone (without capital P by the way)

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Declaration of competing interests:
