Is this case worth reporting?: Yes

Is the case report persuasive?: Yes

Does the case report have explanatory value?: Yes

Does the case report have diagnostic value?: Yes

Will the case report make a difference to clinical practice?: Yes

Is the anonymity of the patient protected?: Yes

Comments to authors:

A good paper in all your sections. The section of the case presentation is very detailed and the surgical technique is explained in its entirety. The pictures help to understand the different surgical steps

Minor Concerns

Could you please also indicate the possible limitations of the surgical technique you considered?

Level of interest: An article of outstanding merit and interest in its field
Quality of written English: Acceptable
