Is the anonymity of the patient protected?: Yes

Declaration of competing interests:

Has consent been obtained from the appropriate person? If the individual described in the case report is a minor, or unable to provide consent, then consent must be sought from their parents or legal guardians. If the person described in the case report has died, then consent for publication must be sought from their next of kin. Whilst we do not expect reviewers to delve into authors' competing interests, if you are aware of any issues that you do not think have been adequately addressed, please inform the Editorial office.
