Reviewer’s report

Title: Management of intra-abdominal hypertension and abdominal compartment syndrome: a review

Version: 2 Date: 20 November 2013

Reviewer: Dirk Stengel

Reviewer’s report:

This is a narrative review with all its possible limitations. Still, it may be a good introduction to the topic to non-expert readers. The authors responded sufficiently to the reviewers’ critiques.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
