Reviewer’s report

Title: The role of the small intestine in the development of dietary fat-induced obesity and insulin resistance in C57BL/6J mice

Version: 3 Date: 12 March 2008

Reviewer: Morihiro Matsuda

Reviewer’s report:

Authors have responded to all my comments, and the revised paper has improved.

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
