Reviewer's report

Title: NMD inhibition fails to identify tumour suppressor genes in microsatellite stable gastric cancer cell lines

Version: 5 Date: 2 June 2009

Reviewer: Pedro Jares

Reviewer's report:

The authors have addressed satisfactorily the major points raised in the previous review. The present manuscript is acceptable for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
