Reviewer's report

Title: A specific immune transcriptomic profile discriminates chronic kidney disease patients in predialysis from hemodialyzed patients

Version: 4 Date: 29 March 2013

Reviewer: Dominique Guerrot

Reviewer's report:

The authors have adequately responded to my concerns.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
