Reviewer’s report

Title: Gene Profiling Suggests a Common Evolution of Bladder Cancer Subtypes

Version: 2 Date: 8 October 2013

Reviewer: Lourdes Mengual

Reviewer’s report:

I feel that the authors have answered minor and major points sufficiently well to allow their manuscript to be published.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
