Title: The recognition of melanoma on the foot: guidelines for chiropodists and podiatrists

Version: 1 Date: 18 September 2010

Reviewer: Adam Sheridan

Reviewer's report:

An excellent article authored by internationally recognised specialists in the relevant fields. A lovely reference for clinicians in terms of disease overview and general clinical approach; complimented by the introduction of a new and practical assessment tool which should result in tangible positive outcomes for patients.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable
