Reviewer’s report

Title: A novel approach to mapping load transfer from the plantar surface of the foot to the walls of the total contact cast

Version: 2 Date: 28 November 2012

Reviewer: Peter Anthony Lazzarini

Reviewer’s report:

Dear Sir/Madam,

The authors appear to have addressed all my suggested revisions satisfactorily. I thank them for addressing each point very clearly in their cover letter to make it much easier for this reviewer to check off. I have no further recommended revisions and look forward to the publication of this article.

Warm regards

Pete
