Reviewer’s report

Title: Gait parameters associated with hallux valgus: a systematic review

Version: 2  Date: 28 February 2013

Reviewer: Christian J Barton

Reviewer’s report:

Thank you for such thorough and thoughtful responses. This is a fantastic review and I look forward to adding it to my resource folder once published. Final suggestion is that a link to the comprehensive search strategy as suggested is a great idea and would be useful for the reader

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
