Reviewer's report

Title: Backward walking training improves balance in school-aged children

Version: 1 Date: 29 June 2011

Reviewer number: 1

Reviewer's report:

1, Major Compulsory Revisions
2, The author must respond to these before a decision on publication can be reached. For example, additional necessary experiments or controls, statistical mistakes, errors in interpretation.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Not suitable for publication unless extensively edited

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
