Reviewer’s report

Title: Clinical examination of the knee: know your tools for diagnosis of knee injuries

Version: 1 Date: 8 April 2011

Reviewer number: 2

Reviewer’s report:

This article is not worthy to be published in the journal because this paper has not any priority and the content is like a textbook.
I think this article will not give any interest to the readers.

Level of interest: Reject as not of sufficient priority to merit publishing in this journal

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
