Reviewer's report

Title: Incidence and pattern of injuries in adolescent basketball players in Nigeria

Version: 1 Date: 30 November 2011

Reviewer number: 1

Reviewer's report:

1. There is minor adjustment to the topic.
2. I made some corrections and raised few queries in the write up
3. Sampling technique should be stated or how did the teams emerged from there zones.
4. the procedure should be more explicit
5. I did some re-arrangement of the paragraphs
6. The data are sound and well controlled.
7. The authors are advised to look for this article: Awotidebe T. O, Onigbinde A T., Chidozie E. M, Olusoji O. O. (2009) Pattern of sport injuries at the 15th Nigeria National Sports Festival. Medicinal Sportiva- Journal of Romanian Sports Medicine, No 2010. It will improve the introduction, discussion
8. with the amendment made, the abstract is accurate.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
