Reviewer’s report

Title: Understanding interventions for improving routine immunisation coverage in children in low- and middle-income countries: a systematic review protocol

Version: 1 Date: 13 August 2013

Reviewer: Kerry Dwan

Reviewer's report:

1. Is the study design appropriate? yes
2. Are sufficient details provided to allow replication of the work or comparison with related analyses: if not, what is missing? Yes but see comments attached
3. Is the planned statistical analysis appropriate? Yes but see comments attached
4. Is the writing acceptable? Yes
