Reviewer’s report

Title: Risk of bias: Power to detect study level moderator effects in meta-analysis

Version: 2 Date: 5 August 2013

Reviewer: Arianne Verhagen

Reviewer’s report:

I am very happy with the reply from the authors (although I do not always agree I can accept their views). I am also happy with the changes made.

Discretional revision: I would like the authors to add: a simulation study to the title

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
