Reviewer’s report

Title: Screening for cervical cancer: A systematic review and meta-analysis

Version: 2 Date: 13 November 2012

Reviewer: Annekathryn Goodman

Reviewer’s report:

This is a nicely written analysis of the available studies. the data is well presented. the references are excellent
I think this work will be useful as a reference to other investigators

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
