Reviewer's report

Title: Quality of reporting of systematic reviews related to interventions published in Chinese journals with "Evidence-Based" in titles

Version: 2
Date: 18 February 2014

Reviewer: Zhaoxiang Bian

Reviewer's report:

Minor change:
In the introduction part, author mentioned that "In this study, we would like to determine whether the reporting of SRs/MAs published in these journals is sound". It is not clear. What is sound? It is better to make it clear.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
