Reviewer's report

Title: A systematic review and meta-analysis of cognitive-behavioural therapy for social anxiety disorder in psychosis

Version: 1 Date: 5 May 2014

Reviewer: Andre Veras

Reviewer's report:

Dear Authors,

Once the article is a procedure report, it would enrich it if you base your discussion on the reported procedure instead of repeating data you already presented in the introduction.

Congratulations for this important work.

Regards.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
