Reviewer's report

Title: Perceived Personal Importance of Exercise and Fears of Re-injury: A Longitudinal Study of Psychological Factors Related to Activity after Anterior Cruciate Ligament Reconstruction

Version: 2 Date: 23 December 2014

Reviewer: Britton W Brewer

Reviewer's report:

I appreciate the attention of the authors to my comments and those of the other reviewer. The manuscript has been improved as a result of the changes that have been made. I have no further Major Compulsory Revisions, Minor Essential Revisions, and Discretionary Revisions to suggest.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
