Title: Optimal sevoflurane concentration for intubation with rocuronium in infants: a randomized controlled trial

Version: 1 Date: 13 April 2014

Reviewer: Anna Camporesi

Reviewer's report:

Dear Authors, I read with great interest your article "Optimal sevoflurane concentration for intubation with rocuronium in infants: a randomized controlled trial". The study is well designed and realised and i only have some minor essential revisions to propose.
Please find the minor revisions in the attachment included.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
