Reviewer’s report

Title: Thoracic Epidural analgesia on Oxygenation and pulmonary Shunt Fraction during One-lung Ventilation: A meta-Analysis

Version: 9 Date: 7 September 2015

Reviewer: Thomas Hachenberg

Reviewer’s report:

The authors have sufficiently addressed the concerns raised by the reviewer. I am still confused about the title of the manuscript. Shouldn’t it read "The effects of ... Thoracic Epidural analgesia on Oxygenation and pulmonary Shunt Fraction during One-lung Ventilation: A meta-Analysis?"

Level of interest: An article of limited interest

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
