Reviewer’s report

Title: Assessment of Haemostasis in Patients undergoing Emergent Neurosurgery by Rotational Elastometry and Standard Coagulation Tests: A Prospective Observational Study

Version: 1 Date: 12 Sep 2017

Reviewer: Ecaterina Scarlatescu

Reviewer's report:

I thank the authors for their manuscript revision and for improving the manuscript following the suggestions made the previous review. However, I recommend them to also revise the manuscript according to the pertinent suggestions from the other reviewer, which can be found in the supplementary file attached by Reviewer 1.

I would also recommend an improvement of the image quality of Figure 2, if possible, as it is very difficult to read in the actual format.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review

Quality of written English
Please indicate the quality of language in the manuscript:

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare I have no competing interests
