Reviewer’s report

Title: Glucose-insulin-potassium improves left ventricular performances after aortic valve replacement: secondary analysis of a randomized controlled trial

Version: 0 Date: 17 Apr 2019

Reviewer: Ali Dabbagh

Reviewer's report:

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

The manuscript is well designed; performed appropriately and well written. Also, the statistical analysis and the graphs seem really interesting. I suggest accepting the manuscript without any further change.

**Are the methods appropriate and well described?**
If not, please specify what is required in your comments to the authors.

Yes

**Does the work include the necessary controls?**
If not, please specify which controls are required in your comments to the authors.

Yes

**Are the conclusions drawn adequately supported by the data shown?**
If not, please explain in your comments to the authors.

Yes

**Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?**
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics
Quality of written English
