Reviewer’s report

Title: Endomyocardial biopsy guided by intracardiac echocardiography as a key step in intracardiac mass diagnosis. A case report series.

Version: 1 Date: 05 Nov 2017

Reviewer: M Luciani

Reviewer's report:

Authors have submitted to our attention a better version of their manuscript following reviewers' suggestions.

Nevertheless, some minor language errors have been detected in the "discussion and conclusions" paragraph and ought to be corrected before publication.

The mentioned errors are as follows:

- Page 6: "Indeed, the use of ICE permits to eliminates..." should be "permits to eliminate..." or even "...eliminates";

- Page 6: "According to this strategy, surgery is reserved only for patients who most would benefit in terms of prognosis." should be "...surgery is reserved only for patients who would benefit the most...";

- Page 7: "Moreover, EMB can be perform..." should be "...EMB can be performed...".

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes
Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

Not relevant to this manuscript

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests.
