Reviewer's report

Title: Primary results of Abdominal Aortic Aneurysm Screening in the at-risk residents in Middle China

Version: 1 Date: 10 Dec 2017

Reviewer: Pinar Ulug

Reviewer's report:
Dear Authors, Thank you for taking on board reviewer suggestions and updating the manuscript.

However, there remains several language mistakes, too many to list here, but some examples are provided below:
Background, line 33: "Randomly-selecting ..." should be corrected as "randomly selected"
Methods, line 19: "Basing on..." should be corrected as "Based on ...." - this mistake is repeated in discussion line 56
Discussion, line 23: "Moreover, it is also *doubt* that..." should read "doubtful" or "uncertain"
Discussion, line 5: "USPSTF commanded that risk factors ......older age, male, smoking history.........." should read "USPSTF commanded that risk factors ......older age, male *sex*, smoking history.........."
Discussion, line 25: "more consumption" should read "higher" consumption

Background line 27, "whites" should read "Caucasians"
Discussion, line 48: "angionosis" - typo?

Please can the authors add the Ethics Reference number in "Declarations".

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.
Yes
Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.
Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.
Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:
Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?
4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?
5. Do you have any other financial competing interests?
6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.
I declare that I have no competing interests
