Reviewer's report

Title: Strain-encoded cardiac magnetic resonance imaging: a new approach for fast estimation of left ventricular function

Version: 1 Date: 29 Dec 2018

Reviewer: Jae-Hyeong Park

Reviewer's report:

The authors included baseline characteristics in the table 1 and revised their manuscript well. Also, they calculated ICC and mentioned about the value of ICC in the method section as 'Agreement was considered excellent for ICC <0.74, good for ICC 0.60–0.74, fair for ICC 0.40–0.59, and poor for ICC <0.40.' The authors should change 'ICC >0.74' instead of 'ICC<0.74'. Thank you for your revision.

Are the methods appropriate and well described?  
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?  
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?  
If not, please explain in your comments to the authors.

Yes
Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review? If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

**Quality of written English**
Please indicate the quality of language in the manuscript:

Acceptable

**Declaration of competing interests**
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?
If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

None
