Reviewer’s report

Title: Reporting of the Translation and Cultural Adaptation Procedures of the Addenbrooke's Cognitive Examination Version III (ACE-III) and its predecessors: A Systematic Review

Version: 0 Date: 25 Jun 2017

Reviewer: Nilton Custodio

Reviewer's report:

1. I suggest to clarify the need to translate and adapt culturally the ACE in each country, even though it is already in the Spanish version in Latin America and not only the cultural adaptation to each Spanish-speaking country.

2. In Figure 1, the title says: Manchester Cultural Adaptation Reporting Questionnaire (MTRQ); should say Manchester Cultural Adaptation Reporting Questionnaire (MCAR).

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
