Reviewer’s report

Title: Strategies for Recruitment and Retention of Underrepresented Populations with Chronic Obstructive Pulmonary Disease for a Clinical Trial

Version: 0 Date: 30 Nov 2018

Reviewer: Seyed Masoom Masoompour

Reviewer's report:

This is a well designed and well written study, that discussed the strategies for recruitment and retention of Chronic obstructive pulmonary disease for a Randomized Clinical Trial.

In order to show any statistically significant difference between "enrolled" and "eligible but not enrolled" participants, the authors please add mean ages and gender proportion of mentioned groups to the table 3.

In order to show any statistically significant difference between those who "completed" and "not completed" participants, the authors please add mean ages and gender proportion of mentioned groups to the table 4.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
