Dear Dr. Elaine Zhang,

Re: Submission of our revised manuscript entitled ‘Factors associated with access to HIV care services in eastern Uganda; the Kumi home based HIV counseling and testing programme experience’ in BMC Family Practice.

Please receive our revised manuscript entitled as above for your kind attention. In this revised manuscript, we have attempted to address all the reviewers' comments as described in detail in the Response to Reviewer Comments. We have also made the necessary changes to the format of the paper as per the BMC Family Practice Instructions for Authors.

Sincerely,

Dr. David Lubogo MBChB, MPH
