**Reviewer’s report**

**Title:** Optional part-time and longer GP training modules in GP practices associated with more trainees becoming GPs - a cohort study in Switzerland

**Version:** 0  **Date:** 19 Jun 2017

**Reviewer:** Amanda Howe

**Reviewer's report:**

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

This is a useful and thoughtful study, albeit observational in nature

It makes an important conclusion relevant to training the modern workforce. Thank you for letting me review it

**Are the methods appropriate and well described?**
If not, please specify what is required in your comments to the authors.

Yes

**Does the work include the necessary controls?**
If not, please specify which controls are required in your comments to the authors.

Yes

**Are the conclusions drawn adequately supported by the data shown?**
If not, please explain in your comments to the authors.

Yes

**Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?**
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I recommend additional statistical review
Quality of written English
