Reviewer's report:

Please include all comments for the authors in this box rather than uploading your report as an attachment. Please only upload as attachments annotated versions of manuscripts, graphs, supporting materials or other aspects of your report which cannot be included in a text format.

Please overwrite this text when adding your comments to the authors.

The text is now much better.

Should the authors correct two sentences and I shall declare my final statement.

Namely:

Page 6, Line 32: Harm of treatment that does not include medication is low. to be altered to: "Harm of treatment that does not include medication quality or quantity."

Page 14, line 37: fact that there are an unknown number of cases that are not reported, and which most likely are less. Please correct the verb from the present to the past. "were" and no "are"

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.
