Title: Health mediators as members of multidisciplinary group practice: lessons learned from a primary health care model programme in Hungary

Version: 2 Date: 03 Jan 2020

Reviewer: William Henry Smithson

Reviewer's report:

This is a much improved manuscript and should be considered for publication. I hope that further papers will be written to describe the development of health teams to provide care to 'hard to reach' groups.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.
