Reviewer's report

Title: Changes of cytokines in a mouse model of post-infectious irritable bowel syndrome

Version: 5 Date: 31 January 2015

Reviewer: Cesare Cremon

Reviewer's report:

Also in this version, English language is sometimes poor and needs consistent revision. All the sections should be thoroughly revised since some mistakes may have occurred.

Level of interest: An article of importance in its field

Quality of written English: Not suitable for publication unless extensively edited

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
