Reviewer's report

Title: Genetic mutations in SPINK1, CFTR, CTRC in acute pancreatitis

Version: 10 Date: 2 February 2015

Reviewer: Tony G Jacob

Reviewer's report:

The authors have incorporated most of the changes suggested. Adding the word 'genes' after 'CTRC' in the title may make the title self-explanatory.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interests.
