Reviewer's report

Title: Strategies to support engagement and continuity of activity during mealtimes for families living with dementia; a qualitative study.

Version: 3 Date: 13 August 2015

Reviewer: Ruth Palan Lopez

Reviewer's report:

Major Compulsory Revisions
1. It appears that the authors have published several papers from the parent study. As written, it is not clear what is redundantly reported in this manuscript and what constitutes "new findings" reported here for the first time.
2. Many of the citations are old. The paper would be strengthened by adding updated references.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
