Reviewer’s report

Title: A feminist phenomenology on the emotional labor and morality of live-in migrant care workers caring for older people in the community

Version: 1 Date: 16 Jul 2019

Reviewer: Inger K. Holmström

Reviewer's report:

Thanks for the possibility to read and comment on the revised version of this manuscript. The authors have attended to my comments in a constructive way, and the manuscript has improved considerably. However, I think that both the limitations-section and the text about quality criteria need some more work. Regarding limitations, the authors only mention the gender of the informants. I think that there are several other limitations, as well as strengths, in this study. Please elaborate this section.

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Unable to assess

Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.
