Title: Motivational factors for blood donation, potential barriers, and knowledge about blood donation in first-time and repeat blood donors

Version: 2 Date: 05 Nov 2018

Reviewer: Suchet Sachdev

Reviewer’s report:

Dear Authors,

the response to the points raised has been addressed, however the authors need to refer to recent articles on the topics from across the globe and then have a short crisp comparison in the discussion on similarities and differences the come out between the present study and the ones brought out from across the globe (covering both developed and developing countries).

The discussion will then bring out important comparison
