Reviewer’s report

Title: Anemia and its associated factors among school-age children living in different climatic zones of Arba Minch Zuria District, Southern Ethiopia

Version: 0 Date: 12 Dec 2018

Reviewer: Daniel Yilma

Reviewer's report:

Title - Use small letters at the start of each words and capital letters when appropriate

Abstract

Result - First sentence needs rewriting. Prevalence need to be described as percentage (n=146)

- The newly added three statements needs to be rewritten in one sentence. Eg. Anemia was higher in children..........

Conclusion - Hyphen is missed in SAC

Main Part

Result - % (n=..) is not consistently documented. Better to use % (n=..) in all statements on the prevalence.

Discussion - Use consistently one decimal place (Correct on second paragraph)

Conclusion - Second sentence needs rewriting

Are the methods appropriate and well described?
If not, please specify what is required in your comments to the authors.

Yes

Does the work include the necessary controls?
If not, please specify which controls are required in your comments to the authors.

Yes
Are the conclusions drawn adequately supported by the data shown?
If not, please explain in your comments to the authors.

Yes

Are you able to assess any statistics in the manuscript or would you recommend an additional statistical review?
If an additional statistical review is recommended, please specify what aspects require further assessment in your comments to the editors.

I am able to assess the statistics

Quality of written English
Please indicate the quality of language in the manuscript:

Needs some language corrections before being published

Declaration of competing interests
Please complete a declaration of competing interests, considering the following questions:

1. Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

2. Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?

3. Do you hold or are you currently applying for any patents relating to the content of the manuscript?

4. Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?

5. Do you have any other financial competing interests?

6. Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
