Reviewer's report

**Title:** Health care workers in southern China are not vaccinated adequately against hepatitis B: a retrospective cohort study.

**Version:** 4  **Date:** 17 April 2015

**Reviewer:** bahador sarkari

**Reviewer's report:**

Authors have revised their manuscript based on the comments that raised about their manuscript. Their answers to the original criticisms and questions are convincing.

**Level of interest:** An article of limited interest

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.
